## Principal Message

Albertville Kindergarten and Pre K uphold our district purpose, Educating for Excellence, and our mission, the Albertville Advantage, today, tomorrow, together. Kindergarten is a child's first experience with public education. Our goal is to allow them to become lifelong learners, productive members of society, and most importantly how to treat others with respect and kindness. The Chinese proverb states, "If you are planning for a year, sow rice. If you are planning for a decade, plant trees. If you are planning for a lifetime, educate children."

Our teachers spend many hours at the beginning of school teaching our students how to become good citizens as well as how to be a part of a classroom family. We begin each day with our Essential Rules, Peacemaker's Pledge, and the Pledge of Allegiance. AKPK classrooms are divided by color teams to encourage collaboration within their class as well as schoolwide. We encourage our students to earn points for their team by having good attendance, being a peacemaker, and achieving academic accomplishments.

All teachers have been trained in OG, Ortin Gillingham, , strategies to enhance beginning phonics and phonemic awareness instruction. LETRS training has been provided to all teachers with the focus being on the Science of Reading . These two professional development opportunities have made our teachers aligned in their instruction and implementation of the new reading standards. An updated pacing guide has been developed and implemented with the new math standards. Other opportunities for Math instruction include calendar time, number talks, and the daily use of hands on manipulatives. Assessments of our students are both formative and summative which are completed daily, weekly, and every nine weeks. Assessments are administered by our testing team as well as the classroom teacher.

All students attend library, PE, counseling, STEM and music on a weekly basis. Reading buddies visit AKPK weekly to read with our students that are struggling learners or just need an extra shoulder to lean on. Some of our high school students serve as Aggie Mentors to assist our students as needed with support in the classroom. Community leaders and businesses support our teachers and students as well.

AKPK provides many opportunities for real world, engaging, and interesting experiences for all of our students. These opportunities allow our students to grow socially, emotionally, and academically. Students enjoy a variety of experiences throughout the year that involve community support and parent participation. Some of these events include Farm Day, Community Helper Day, theater performances, and field trips.

AKPK parent connection is a packet of resources that is sent home to parents at the end of each nine weeks. Each nine weeks our focus is on a different skill and resources are sent home with parents along with their report cards. Parent conferences are held often and accommodations are in place for all parents to have an opportunity to meet with their child's teacher.

AKPK provides a loving, safe environment for our students so they may be productive and engaged on a daily basis. The faculty and staff at AKPK are very family oriented and support and encourage each other. Students, faculty, and staff enjoy working and learning at AKPK. We are very unique in that we are just Kindergarten and Pre K and we have the privilege of watching our students learn, grow and instill hope for their future.

## SCHOOL OPERATIONS

AKPK begins the day with doors opening at 7:00. Bus riders and car riders have separate drop off and pick up locations. Please read the information below for specific details on drop off and pick up procedures.

### **Daily Dropoff**

Car line begins for Kindergarten at 7:00 and students are considered tardy at 7:31. Car line for Pre K begins at 7:35 and students are considered tardy at 7:51. Faculty and staff will open car doors for students every morning and they will proceed to the gym. Second semester, students will open the car door themselves. Drop off is in the front of the Kindergarten building and as cars pull in they should drive up as far as possible. All students should exit the vehicle on the passenger side. Students will not be allowed to exit from the drivers side and walk around the vehicle. Students must have backpacks, lunches, etc ready to exit the vehicle once it stops. Tell your child to have a great day as they exit the vehicle. Bus riders will be dropped off on the side of the Kindergarten building and make their way to the gym.

### **Daily Pickup**

Car pick up begins for Kindergarten at 2:35 and car pick up for Pre K begins at 2:15. Parents will be given a blue, yellow, or purple car tag at the beginning of the year. Your car tag should be hanging from your rearview mirror for the best visibility to teachers to call students' names. Parents will line up in the correct lane according to their car tag color. Lane closest to the fence and ends on the curb next to the side of the building is the yellow lane. Lane farthest from the fence and ends away from the curb on the side of the K building is the blue lane. Yellow and blue arrows are painted on the asphalt in the parking lot. Vehicles should not cross traffic, choose the correct lane and stay in that lane. A faculty or staff member will direct you where to stop to pick up your child. Children will be loaded on the passenger side of the vehicle so make arrangements for that side to be empty. Pre K pick up line begins at 2:15 and is located in the front outer portion of the parking lot. You will line up and wait for a faculty member to move you across lanes to the Pre K building on the hill. Parents should not arrive for afternoon pick up before 2:00.

### School Check-Out

When you come to check out your child, do so before 2:00. Ring the doorbell located in the foyer on the right, arrows are pointing to the doorbell, and show your car tag or ID to the secretary. Car tag or ID must be presented or you will not be allowed to check out your child. If you send someone to check out your child, make sure they are on the check out list and have their ID . Your child will be called to the front office at that time to check out.

### Visitors

Visitors are welcome at AKPK, parents are asked to inform the teacher if they would like to bring a birthday snack or eat lunch with their child.

### Academic Progress Report

Progress reports are sent home with each child at the end of the fourth week in the nine week period. Report cards are sent home at the end of each nine weeks. Parent conferences are held each nine weeks for all students to discuss their academic progress.

### School Health

Students that have a medical condition, food allergy, or will need to take medication at school, please contact the schedule to schedule an appointment with the school nurse. Students may not bring medication in their backpack and teachers are not allowed to give medication to a student. If a student needs medication, forms must be completed with the school nurse so the nurse can administer the medication. When a student becomes sick at school, parents will be contacted to pick up the child. Students must be fever free, no vomiting, or no diarrhea within 24 hours of the time they were picked up from school. If a child shows symptoms , fever, nausea, etc. please do not send them to school. Any day that a child misses, upon their return they should have a doctor's excuse or a parent excuse.

## STUDENT CODE OF CONDUCT

### STUDENT CODE OF CONDUCT OVERVIEW

The following section provides the disciplinary offenses and potential consequences of students for behavior that occurs on Albertville City Schools (ACS) property; on ACS transportation; during school sponsored activities, including, but not limited to distance learning, field trips, athletic functions, and similar activities; and if appropriate, any other area as permitted by Alabama Statutes and/or State Board of Education Rules.

Student disciplinary offenses and the responses to them are divided into four levels. Each level represents progressively more serious offenses and responses to them become progressively more severe. Some offenses require consultation with law enforcement if the offense is deemed to be a violation of state or federal laws.

ACS promotes a safe and supportive learning environment in schools, to protect students and staff from conduct that poses a serious threat to school safety. School based administrators shall provide consistent school-based discipline, where appropriate, and authorized by policy and this Code. In addition, a good faith effort shall be made by the principal or designee to employ parental assistance or other alternative measures prior to suspension, except in the case of emergency or disruptive conditions which require immediate suspension or in the case of a serious breach of conduct as defined by the Board and this Code.

## STATEMENT OF JURISDICTION

A school district may impose discipline on students for offenses committed off-campus if the conduct in question has a sufficient connection to the school or educational environment. This may include conduct that occurs at a school-sponsored event or activity or conduct that creates a substantial disruption to the school environment or the education of other students.

It is important to note that while a school district may have jurisdiction to impose discipline for certain off-campus conduct, it may also be subject to limitations imposed by state and federal law, including the First Amendment and the Due Process Clause of the Fourteenth Amendment. In all cases, the school district should carefully weigh the need for discipline against the rights of the student and the potential consequences of the discipline.

## STUDENT DISCIPLINE INVESTIGATIONS

ACS is responsible for investigating all allegations of student misconduct within its jurisdiction using the preponderance of the evidence legal standard. Therefore, ACS employees are authorized to interview students and obtain witness statements from students involved in offenses of the Code. However, any student may refuse to participate in an investigation. It is important to note that if the behavior is believed to be criminal and a violation of Alabama Statutes, the school resource officer, or law enforcement officer, if the school resource officer is not available, may participate in the investigation.

Parents/guardians may request their student not participate in student discipline investigations without authorization from the parent/guardian by submitting the request, in writing, to the school administration. Refusal to participate in the investigation does not prohibit ACS from continuing with the investigation and administering an appropriate disciplinary consequence. In addition, refusal does not prohibit the school resource officer, or law enforcement officer, from continuing the criminal investigation and imposing criminal penalties if warranted.

After the discipline investigation is complete, the parent/guardian may request a copy of all documentary evidence upon which the proposed disciplinary consequence is based subject to requirements of FERPA.

If the discipline investigation is conducted due to allegations of a threat or threatening behavior, the investigation will be submitted to the Superintendent or Superintendent designee(s).

In accordance with the Alabama State Compulsory Attendance Law, the Albertville City Board of Education makes the final disposition of any expulsion recommendation. A student may be expelled for any act that is classified as a Class IV offense. The school principal is initially responsible for determining that an offense has been committed for which expulsion may be warranted. Any student who has been determined eligible for special education may be expelled, but all procedural safeguards must be adhered to as set forth in the Individuals with Disabilities Education Improvement Act of 2004 and as outlined in the Albertville City Board of Education Policy Manual.

Any student who is the subject of an expulsion action shall be granted the following rights to due process: a hearing, the right to counsel, the right to hear the alleged charge(s), the right to question all evidence, the right to speak and

offer evidence in his/her own behalf and the right to have a full explanation of the applicable Board policy used to charge the student.

## DISCIPLINARY HEARING PROCEDURES (SECONDARY ONLY)

### General:

If a student is suspended pending an expulsion hearing, the school will follow the suspension policy and procedure, and on the Suspension Notice Form will identify that the suspension is pending an expulsion hearing.

When a student's misbehavior warrants a Level 4 Response, the principal immediately must notify the Student Services Department and, if the student has a disability, Special Education Services Department. If a suspected controlled substance is involved, Albertville Police Department must be notified.

### Superintendent-Initiated Expulsion

The Superintendent may recommend that a student be expelled without prior recommendation from the principal. In such cases, the Superintendent will follow the Principal-Initiated Expulsion procedures below.

### Principal-Initiated Expulsion

The principal/designee will review the allegations and evidence against a student, advise the student of the reason(s), and allow the student to tell what occurred. After doing so, the principal/designee is responsible initially for determining that the behavior warrants an expulsion and taking reasonable steps to notify the student's parent.

1. The principal will notify the designated Disciplinary Committee Chair by submitting a completed Due Process Packet within five (5) school days after the date of the commission of the offense.
2. This Due Process Packet shall consist of, at least, the following:
  - a. Copy of the completed Suspension Notice, stating the reasons in writing.
  - b. Specific description of the student's behavior, including date, time, and place and supporting facts.
  - c. A written report giving the suspected student's version of what occurred (Accused Student Statement Form).
  - d. Names, addresses, and telephone numbers of persons involved in the incident: suspect(s), victim(s), and witness(es).
  - e. Signed and dated statement(s) of persons involved in the incident, if possible.
  - f. Paper copy of any contraband.
  - g. Current school year academic and disciplinary record.
  - h. Details of extenuating circumstances, if any.
  - i. Date(s) of principal's conference(s) and names of those present.

### Procedures for Hearings

Prior to expulsion, students are entitled to a hearing conducted by a hearing panel using the following procedures:

1. The parent shall be given verbal or written notice of the reason(s) against the student and the time, date, and place of the hearing prior to a hearing. At the time that the notice of an expulsion is made, ACS will provide the student and the parent/guardian with the following: copies of evidence supporting the expulsion; the rules governing the hearing; and notice that the student may have a parent/guardian or family member and an advocate of his or her choosing present to participate in the expulsion hearing. The student may present witnesses or provide statements on their behalf and ask rebuttal questions of witnesses presented by ACS at the expulsion hearing.

2. The hearing panel normally conducts a hearing within 14 school days after the date of the commission of the **Level 4** behavior. However, it may be longer than 14 days if there are extenuating circumstances.
3. The principal or designee shall present the case for expulsion of the student. Witnesses for the proponent of the expulsion will be notified to be present by the school.
4. At the hearing, the hearing panel shall give the student an opportunity to admit or deny the reason(s). If the student denies the reason(s), the principal/designee will provide an explanation of the evidence, and the student will be given an opportunity to tell what occurred.
5. The case may be presented by statements made by the witness(es). The hearing panel may permit witness(es) by the proponent of the expulsion but is not required. Additionally, student witnesses, including accusers, may provide evidence by written statement which may be redacted to ensure student privacy. The decision as to these issues shall rest in the discretion of the hearing panel. The student is permitted to present adult witnesses, but if a witness's testimony is redundant or not relevant, the hearing panel can decide not to hear that witness.
6. The student's parent must give the hearing panel notice, 24 hours prior to the hearing, of the decision to have an attorney. Failure to do so will result in the rescheduling of the hearing, and, if the student's parent fails to provide notice after a hearing has been rescheduled, the hearing panel may deny the participation of the attorney in the hearing.
7. After following the above procedures, the hearing panel, based on all facts presented, shall determine whether the student did or did not commit an offense, what offense, if any, was committed and whether the recommendation of the principal to expel is accepted or overruled. The hearing panel shall prepare a written decision, which shall include the reasons against the student; the time, date, and location of the hearing; a summary of the evidence presented at the hearing; the conclusions drawn from the evidence; and the disposition of the student. If extenuating or mitigating circumstances exist, the hearing panel shall document these circumstances.
8. If the decision to recommend expulsion is made by the Disciplinary Committee and is upheld by the Superintendent, the parent/guardian shall be notified by letter of the time and place of an expulsion hearing before the Albertville City Board of Education. The student shall remain under suspension until the hearing is held. This notice shall be given a minimum of five calendar days before the hearing is held.
9. If a student with disabilities is alleged to have committed an offense expellable under the Student Code of Conduct, the hearing panel determines the guilt or innocence only. The decision regarding an appropriate placement is determined by the IEP Committee.
10. The following persons shall be notified of the committee decision:
  - a. The student's parent or guardian by certified mail or at the time proceeding hearing.
  - b. The Student Services Department.
  - c. The Principal.
  - d. The Special Education Services Department (for students with disabilities) and
  - e. The Superintendent.
11. A recording shall be made of the hearing and shall be kept for no less than six (6) months from the date of the hearing.
12. The written record of the hearing shall be kept for two (2) years.
13. Failure of the parent/guardian and/or student to attend shall not nullify the process.
14. The Superintendent will review all testimony, facts, and accounts provided by the Committee and Student. The determination will then be sent through certified mail to the parent or guardian and committee notified.

## **DISTRICT EXPULSION APPEAL PROCESS**

### **Appeal of Disciplinary Committee Decision for Expulsion**

If the student's parent or legal guardian is dissatisfied with the decision of the hearing panel in cases in which the hearing panel upholds the recommendation for expulsion, the parent may file an appeal by using the following procedures:

1. The student's parent must mail or deliver a written request for an appeal to the Superintendent.
2. The written request for an appeal must be postmarked or hand delivered on a date no more than ten (10) calendar days after
  - a. the postmarked date of the written notification of the hearing panel's decision, or
  - b. date of hand delivery of the written notification of the hearing panel's decision, or
  - c. if the above are not able to occur, then verbal notification of the hearing panel's decision. If the written request for an appeal is not made on time, the hearing decision will be final.
3. The Superintendent, upon receipt of a timely filed written request for an appeal, will request the documented evidence of the case including the findings, conclusions, disposition, and audio recording if used.
4. The Superintendent or designee shall review the case based on the record. No new evidence shall be admissible.
5. After receipt of the appeal, the Superintendent will make a written decision to adopt, modify, or disapprove all or any part of the hearing panel's findings, conclusions, or disposition.
6. A copy of the Superintendent's decision shall be sent to the following persons:
  - a. The student's parent (by certified mail).
  - b. The Student Services Department.
  - c. The Principal.
  - d. The Special Education Department (for students with disabilities).
  - e. The Superintendent's Office.
7. If the parent is dissatisfied with the Superintendent's decision to uphold the recommendation for expulsion, the parent may file an appeal to the Board of Education using procedures described below.

### Appeal of Superintendent's Decision for Expulsion

If after the hearing before the hearing panel and an appeal to the Superintendent, a parent is dissatisfied with the Superintendent's decision for expulsion, the parent may file an appeal to the Board of Education using the following procedure:

1. The student's parent must mail or deliver a written request for an appeal to the Albertville City Board Secretary.
2. The written request for an appeal must be addressed to and mailed or given to the Board of Education, with a copy to the Superintendent.
3. The written request for an appeal must be postmarked or hand delivered on a date no more than **ten (10)** calendar days after the postmarked date or date of hand delivery of the written notification of the Superintendent's decision. **If the written request for an appeal is not made on time, the Superintendent's decision will be final.**
4. Upon receipt of a timely filed written request for an appeal, the Board shall set a hearing date. To comply with applicable student privacy laws, the hearings will be closed to the public.
5. The student's parent must give the Board notice, at least 48 hours prior to the hearing, of the decision to have an attorney. Failure to do so may result in the rescheduling of the appeal hearing, and, if the student's parent fails to provide notice after a hearing has been rescheduled, the Board may deny the participation of the attorney in the hearing.
6. At the scheduled hearing, the Board will use the following procedures:
  - a. A representative of the Superintendent, school, and/or counsel for the Board will present to the Board the information supporting the recommendation for expulsion and may examine any witnesses provided by the student or his or her counsel.
  - b. The student, or his or her counsel, will be entitled to present evidence in support of his or her position and to examine any witnesses presented at the hearing.
  - c. The student, or his or her counsel, may make other arguments in support of their position.
  - d. At the conclusion of the evidentiary presentation, the Board may deliberate in executive session prior to voting whether to uphold the recommendation for expulsion.
7. The Board shall render a decision based upon the evidence presented.

8. The following persons shall be notified of the Board's decision:
- a. The student's parent/guardian (by certified mail).
  - b. The Principal.
  - c. The Student Services Department.
  - d. The Superintendent and
  - e. If applicable, the Special Education Department.

### Length of the Expulsion

If a student is found to have committed the behavior warranting an expulsion, the length of the student's expulsion may be for any length of time up to the end of the current school year or one (1) calendar year. The Superintendent shall, by letter, notify the parent/guardian of the Albertville City Board of Education's decision within ten days after it is made.

If a student is assigned to alternative school in lieu of expulsion, the student must begin attending the alternative school within 7 days of being assigned to alternative school. Failure to do so will result in the student being expelled. While attending alternative school, the Board will count only those days the student attends the alternative school. If a student is placed in alternative school, the student must attend for the number of days assigned; however, the alternative school may create a plan for the student, the successful completion of which, will allow the student to complete his or her assignment early.

When a student returns to school after expulsion, the re-admission must be preceded by a conference with the principal or his/her designee during which the student is given a readmission slip to return to class.

## SCHOOL LEVEL DISCIPLINARY APPEAL PROCESS

### Alternative Placement Appeal

A student assigned to the alternative program by the Disciplinary Review Committee may appeal by providing written notice to the Superintendent within three (3) school days of the disciplinary action. The written notice must state the reason for the appeal and propose a resolution. A hearing will then be scheduled with the Superintendent or his/her designee. If the parent or legal aged student is not satisfied with the decision of the Superintendent or his/her designee, the decision may be appealed to the Board of Education by submitting written notice to the Superintendent within three (3) school days of the Superintendent's or his/her designee's decision. Again, the written notice must state the reason for the appeal and propose a resolution. A hearing will then be held with the Board of Education. The decision of the Board will be final and cannot be appealed further. There is no appeal from a Board placement in the alternative program.

A student that has multiple Code of Conduct violations can be assigned Alternative Placement at the discretion of the school Principal for no more than a period of 10 days total within a single school year. The conditions for appeal also apply for Principal level placement.

### Appeal Conditions

The following conditions are applicable to the appeal of any disciplinary action:

- At each level of appeal, the parent must provide written notice stating the reason[s] for the appeal and a proposed resolution.

- The initial disciplinary action will not be stayed or delayed while the appeal is pending.
- No issue or evidence may be presented on appeal that was not presented at the time of the initial disciplinary decision, unless it could not have been discovered, through reasonable inquiry, at that time.

- At each level of appeal, the judgment of the person/body hearing the appeal can be substituted for the underlying decision. For example, the appellate decision may void the initial disciplinary action, affirm it without change, enter a less severe sanction, or enter a more severe sanction, including expulsion.

The use of school system resources and the Internet is a privilege, not a right, for all students. Access to the system's resources and the Internet may be taken away at any time if one or more of the proper procedures are not followed. Parents/Guardians may be held financially responsible for any damages that occur to system resources.
